**“The greatness of humanity is not in being human, but in being humane.” You must not lose faith in humanity. “The sole meaning of life is to serve humanity.”**

### INTRODUCTION

Initially we seven friends from Devabhumi Uttarakhand formed the Uttarakhand Satrudra Trust, appealing to do something for the betterment of our society, especially to help the needy. All of us have served under various capacities at National/International level.

Keeping in view of our experiences and devotion, Uttarakhand Satrudra trust was registered on 31/10/2019 with registration number IV/921/2019 having PAN number (AABTU0089J), bank account in SBI (A/c No.38997428349, IFSC: SBIN0013433).

In continuation of the efforts of we friend to do something good for our society our Uttarakhand Satrudra Trust has entered in fourth year. In between the area of charitable activities of the trust has also been expanded although with our limited resources. Doing something for betterment or to uplift our fellow countrymen gives a great satisfaction. We are happy that with the financial contribution from the members which is the major part of our economical sources and off course with some donation received from our kind hearted donors, we were able to provide financial supports to families, students, medically distress persons and books material helps to needy children. This year two new members Sh Mukesh Dhulia and Dr S D Pande also joined the trust. Trust welcomes their dedication and commitment.

## **President Message:**

Dear friends,

It is with great pleasure that I present the Annual Report of the “Uttarakhand Satrudra Trust” for the Financial Year 2023-24.

Life is more meaningful if you live not only for yourself, but help others. Actually, helping others is a fundamental aspect of being human. Nevertheless, people sometimes forget about others and selfishly pursue their own interests, whereas it is a selfless act that can bring joy and fulfilment to both the giver and the receiver. By volunteering our time and resources, we are able to make a difference in the lives of those who are less fortunate.

Unfortunately, there are suffers of poverty, malnutrition, discriminatory practices, natural disaster, lack of education and lack of access to healthcare leading to poor health outcomes to such people deserve full attention from those who are better placed. It is also a fact despite rapid growth and development, an unacceptably high proportion of population continues to suffer from severe and multidimensional deprivation irrespective of the fact that the governments have been trying very hard to improve the situation but the benefits do not reach these desperate people timely due to many reasons for which we cannot blame the government alone and this has more effect on the people of Uttarakhand, living in the far-flung areas. That is why we should consciously help these people for the sake of humanity.

Friends during the course of our journey through life we have got everything from the society, be it, our parents, our relatives, our friends, our employer or whoever had come across in this journey. Now it is time to give back that to the society to the best of our ability and with this spirit of ours, the formation of this trust took place to give our participation in the social welfare.

Uttarakhand Satrudra Trust, which is registered, non-commercial and voluntary organization, is dedicated for the service of the society. The main areas of interests of the trust are Education, Health, Poverty alleviation and environment in the state of Uttarakhand. All above have been accomplished within our limited resources but for the year- 2022-23, we have set big targets for ourselves. Some are already achieved and remaining will be achieved by the end of this financial year.

Friends the last year has been very tough for us due to the pandemic which had hindered our pace of work however our hardworking team had worked relentlessly to achieve the targets.

We are a team of nine dedicated and likeminded members who superannuated with dignity and pride from various prestigious organizations but belongs to the same alma mater, SGRR, KV, Navodaya etc a true temple of education.

We thank our families, donors, funders whose support has proved more valuable than ever despite the difficulties of meeting in person. We hope our actions create a ripple effect of positivity, providing purpose and fulfilment in someone's life.

Special thanks go to our members who have demonstrated a remarkable commitment of donating to our causes. We are extremely grateful to everyone who has helped us to achieve our objectives

I am extremely pleased to welcome those who have been associated with this trust since its formation and also those who have joined recently.

Once again Thanks and Jai Hind.

Dr Rakesh Baluni
